name: Feature Request
about: Suggest an idea for this project
title: '[FEATURE] '
labels: enhancement
assignees: ''

Feature Description

A clear and concise description of the feature you'd like to see added.

Problem or Use Case

Describe the problem this feature would solve or the use case it would enable.

Proposed Solution

A clear description of what you want to happen. Include any specific implementation ideas if you have them.

Alternative Solutions

Describe any alternative solutions or features you've considered.

Additional Context

- Would this feature be useful for educational purposes?
- Are there similar features in other weather visualization tools?
- Any mockups, examples, or references that might help?

Implementation Considerations

- Would this require new dependencies?
- Should this be a new visualization type or modification of existing ones?
- Any performance or compatibility concerns?

Priority

How important is this feature to you?
- [ ] Nice to have
- [ ] Would be helpful
- [ ] Important for my use case
- [ ] Critical need
